

Jozsua Heng

jozsua.heng@gmail.com · linkedin.com/in/jozsuaHeng · Singapore

Business Analyst with 4+ years across ERP, finance and digital transformation programs in enterprise and startup environments, paired with hands-on founder experience scaling a bootstrapped venture 150% in two years. Direct Web3 GTM experience behind a \$13.5M pre-seed raise.

PROFESSIONAL EXPERIENCE

Golden Island Cruises

Director, Owner

Lombok, Indonesia
Nov 2024 — Present

- Built and scaled a maritime tourism venture from 0 to 1, driving 150% capacity growth in two years.
- Ran a lean, bootstrapped operating model on “Blue Economy” principles, cutting CapEx and overheads by 25%.
- Designed a “Partnership Pathway” equity model that boosted staff retention 80% and professionalised operations.
- Own end-to-end delivery for a remote team of 30, shipping luxury-grade standards in a high-pressure market.
- Driving a pivot toward a social-enterprise model centred on indigenous employment and cultural preservation.

Mater Misericordiae Ltd

Business Analyst

Brisbane, Australia
Dec 2024 — May 2026

- Owned analysis and execution for an \$18M finance and supply-chain transformation across a \$1B+ network.
- Co-led a full-scale MS D365 rebuild, replacing legacy processes with streamlined, future-ready workflows.
- Owned project delivery across 16 workstreams from 600+ requirements, working with senior leadership.
- Caught and fixed 90+ critical data-integrity risks before they hit executive decisions or operations.
- Aligned Finance, IT, Supply Chain and Clinical teams around one roadmap, cutting duplicated work and rework.
- Acted as right hand to the CFO, crafting polished data packs and decks used directly in board reporting.
- Built due-diligence and transition materials for a major hospital merger, informing executive sign-off.

GSA Management Consulting

Senior Management Consultant · Management Consultant

Brisbane, Australia
Jun 2024 — Dec 2024
Nov 2022 — Jun 2024

- Delivered consulting across Health, Emergency Services, Education, Agriculture and Construction.
- Built a cost model and options analysis for a Health client that earned a formal commendation.
- Owned a cross-departmental transition for an Emergency Services client, hitting 100% on-time delivery.
- Founded the Internal Tech Advisory Team, delivering a “Digital Readiness” framework and AI-readiness training.
- Won the Defence National Security Workforce Awards and placed finalist at the Australian Aviation Awards.

OTHER EXPERIENCE

Independent Projects

AI-Assisted Development · github.com/JozsuaHeng

Singapore
Jun 2026 — Present

- Self-taught AI-assisted development using Claude Code and VS Code, building hands-on technical fluency — see the [Projects](#) page.

Freelance

Market Research Consultant (Web3 / Crypto)

Sydney, Australia
Jun 2022 — Oct 2022

- Drove GTM strategy for web3academy and NiftySubs, helping close a pre-seed round at a \$13.5M valuation.

EDUCATION

The University of Sydney (USYD)

Master of Management (Postgraduate Program)

Sydney, Australia
Jul 2021 — Jun 2022

- Led a strategic market-entry project for a Web3 EdTech startup, later retained as a freelance consultant for implementation.

The University of Queensland (UQ)

Bachelor of Business Management — Major in International Business

Brisbane, Australia
Feb 2019 — Jul 2020

- Awarded the 2020 Dean’s Commendation for Academic Excellence for maintaining a GPA in the top 10%.
- Acted as Master of Ceremonies for a 300-person gala, managing audience engagement and event flow.
- Selected as a UQ BEL Global Mates mentor, guiding international students on career and professional development.
