

Jozsua Heng

jozsua.heng@gmail.com · linkedin.com/in/jozsuaheng · Singapore

Business Analyst with 4+ years across ERP, finance and digital transformation programs in enterprise and consulting environments. Co-led an \$18M finance and supply chain transformation for a \$1B+ healthcare network, paired with hands-on founder experience scaling a venture 150% in two years.

PROFESSIONAL EXPERIENCE

Golden Island Cruises

Director, Owner

Lombok, Indonesia

Nov 2024 — Present

Engineered the strategic pivot from a boutique agency to a scaled maritime operator, securing capital and streamlining vessel acquisition to drive **150% capacity growth in two years**.

Designed a lean operating model on 'Blue Economy' principles, cutting CapEx and overheads by **25%** through vertical integration of supply chains.

Developed a **dynamic pricing and yield management strategy** to optimise revenue across seasonal demand cycles in the Indonesian maritime market.

Designed a "Partnership Pathway" equity model that boosted staff retention **80%** and professionalised operations.

Directing a cross-functional team of **30** in a high-pressure, remote market, ensuring alignment with international luxury benchmarks and safety protocols.

Overseeing a **mixed-fleet operation** across owned and partner vessels spanning luxury, deluxe and standard tiers.

Spearheaded a **social-enterprise framework** prioritising indigenous employment and cultural preservation, enhancing brand equity and securing local government concessions.

Mater Misericordiae Ltd

Business Analyst

Brisbane, Australia

Dec 2024 — May 2026

Owned analysis and execution for an **\$18M finance and supply chain transformation** across a \$1B+ network.

Architected end-to-end process maps and data-driven insights to remediate the **D365 environment**, ensuring data integrity across Finance, Procurement and Supply Chain.

Identified and translated **600+ requirements** into **16 actionable workstreams** across **6 work packages**, for senior leadership and the executive board.

Ran supply chain and AP workflow analysis across the network, using root-cause analysis to stabilise invoice processing and resolve procurement and inventory bottlenecks.

Caught and fixed **90+ critical data-integrity risks** before they hit executive decisions or operations.

Aligned Finance, IT, Supply Chain and Clinical teams around one roadmap, cutting duplicated work and rework.

Acted as right hand to the CFO, translating financial and transformation data into board-ready visual narratives that secured executive buy-in.

Distilled disparate documents, data packs and policy materials into tightly scoped summaries, each purpose-built for a specific stakeholder audience and decision.

Built **due-diligence and transition materials** for the **Gold Coast hospital merger**, presented to the steering committee.

PROFESSIONAL EXPERIENCE (Continued)

Boss Tradie

Strategy Consultant, Equity Holder

Brisbane, Australia

Jun 2020 — May 2022

Led and delivered **80% internal cost reductions** by outsourcing sales and operational functions to overseas partners.

Co-led the **Salesforce Sales Cloud implementation** for a construction-industry client (20 users) — requirements gathering, gap analysis, developer coordination and stakeholder training.

Delivered a **48% reduction in manufacturing costs** for a height-safety client through optimised outsourcing to an overseas supplier.

Contributed to **ISO 9001, 14001 and 45001 certification** for multiple clients, including new document control systems.

OTHER EXPERIENCE

Independent Projects

AI-Assisted Development ·

github.com/JozsuaHeng

Singapore

Jun 2026 — Present

Self-taught **AI-assisted development** using Claude Code and VS Code, building hands-on technical fluency — see the [Projects](#) page.

Applying this fluency to bridge business requirements and technical execution, strengthening cross-functional conversations with engineering teams.

Freelance

Market Research Consultant (Web3 / Crypto)

Sydney, Australia

Jun 2022 — Oct 2022

Conducted competitive landscape and market-sizing research across two early-stage Web3 platforms, **web3academy** and **NiftySubs**.

Shaped go-to-market strategy and positioning ahead of each platform's public launch.

Contributed research and strategic input that helped both ventures close a **pre-seed funding round** at a **\$13.5M valuation**.

EDUCATION

GSA Management Consulting

Senior Management Consultant · Management Consultant

Brisbane, Australia

Jun 2024 — Dec 2024

Nov 2022 — Jun 2024

Shipped consulting work across Health, Emergency Services, Education, Agriculture and Construction — spanning cost models, options analysis and digital transformation for public, private and Defence-sector clients.

Built a cost model and options analysis for a Health client that earned a **formal commendation**.

Owned a cross-departmental transition for an Emergency Services client, hitting **100% on-time delivery**.

Drafted proposals and standardised toolkits, templates and business case libraries that lifted the firm's **proposal win rate to 35–40%**.

Founded the firm's **Internal Tech Advisory Team** from scratch, accelerating digital adoption and building a scalable “Digital Readiness” framework, then designing and facilitating AI/Generative AI workshops for leadership firm-wide.

Contributed case studies that helped secure GSA's **preferred-supplier status** on the Digital Marketplace 2.0 panel.

Drafted the firm's award nomination for the **Defence National Security Workforce Awards**, securing a win in the Best Change Management Implementation Program category, and a finalist placement at the **Australian Aviation Awards** (Defence Support Business of the Year, 2023 and 2024).

The University of Sydney (USYD)

Master of Management (Postgraduate Program)

Sydney, Australia

Jul 2021 — Jun 2022

Led a strategic **market-entry project for a Web3 EdTech startup**, covering competitive analysis, target-market sizing and go-to-market planning.

Retained as a freelance consultant post-graduation to support implementation of the market-entry strategy.

The University of Queensland (UQ)

Bachelor of Business Management — Major in International Business

Brisbane, Australia

Feb 2019 — Jul 2020

Awarded the 2020 **Dean's Commendation for Academic Excellence** for maintaining a GPA in the top 10% of cohort.

Acted as **Master of Ceremonies** for a 300-person gala, managing audience engagement and live event flow.

Selected as a **UQ BEL Global Mates mentor**, guiding international business students on career planning and professional development.
